LEADERSHIP THAT INSPIRES & TRANSFORMS

HONORING GREAT LEADERS OF YESTERDAY & TODAY

Since our founding in 1964, The Lincoln Academy of Illinois has honored over 340 Lincoln Laureates. They include U.S. presidents, athletes, musicians, artists, scientists, educators, entrepreneurs, innovators, environmentalists, business executives, journalists, and authors. As the state's only organization chartered to bestow the Order of Lincoln - our state's highest honor - The Academy has illuminated and celebrated those leaders of today who have worked to better humanity.

In 1992, the Hall of Fame of Historic Illinoisans was created to honor the achievements and contributions of great Illinoisans prior to the establishment of the Academy.

The breadth of talent and contributions of the Lincoln Laureates and Hall of Fame members have profoundly shaped the dynamism and vibrancy of the social, cultural, technological, scientific, and economic fabric of our state and beyond. The Academy honors these great leaders knowing that now, as always, our state and nation need what Vachel Lindsay called "Lincoln-hearted" men and women.

EMPOWERING GREAT LEADERS FOR TOMORROW

In 1975, The Academy initiated our recognition of the "great leaders for tomorrow" and designated them as Student Laureates. Each year, one outstanding senior from each of Illinois' nearly 60 four-year degree-granting institutions of higher learning and one student from the community college system are awarded the Medallion of Lincoln and the Abraham Lincoln Civic Engagement Award.

These remarkable students are honored for their academic excellence, outstanding campus and community engagement, and uncommon leadership contributions.

*We recognize that regardless of who we are, where we come from, what we have, or what we aspire to become, we all need people in our lives who are role models for principled leadership. **Join us in honoring and empowering great leaders.***

Our Unfinished Work

Our Lincoln Laureates teach and inspire us to lead “in the spirit of Abraham Lincoln” by contributing to the betterment of humanity. The collective knowledge, experience, and achievements of this remarkable brain trust of leaders uniquely positions The Academy to engage in the “unfinished work” of our time. Our work to honor and celebrate distinguished Illinoisans will remain preeminent as we seek to ensure principled, civic-focused leadership continues to be ignited, developed, and sustained in tomorrow’s leaders.

The Academy is now beginning the planning phase of an expanded commitment to enhance the experience and recognition of our Laureates and Student Laureates. This requires newly imagined and designed initiatives and infrastructure, including advanced technology with evolving web and social media platforms to create vibrant virtual networks and communities.

THE IMPACT OF THE ACADEMY WILL NOT BE JUDGED BY WHAT WE ALONE ACHIEVE, BUT BY HOW WE HELP INSPIRE FUTURE GENERATIONS TO EMBRACE THE “UNFINISHED WORK” OF TOMORROW WITH INTEGRITY, EMPATHY, COMPASSION AND A COLLECTIVE PURPOSE FOR THE BETTERMENT OF HUMANITY.

“THE WORLD WILL LITTLE NOTE, NOR LONG REMEMBER WHAT WE SAY HERE, BUT IT CAN NEVER FORGET WHAT THEY DID HERE. IT IS FOR US THE LIVING, RATHER, TO BE DEDICATED HERE TO THE UNFINISHED WORK WHICH THEY WHO FOUGHT HERE HAVE THUS FAR SO NOBLY ADVANCED.”

Engaging

TODAY'S LEADERS

“Commitment is what transforms a promise into a reality”

-- ABRAHAM LINCOLN

The Academy is committed to building upon our current work while enhancing our Lincoln Laureate engagement initiatives, adding sustained fiscal support to the Student Laureate Civic Engagement Awards, and building programs to connect Lincoln Laureates with Student Laureates.

We seek to enhance our current work by building a sustained source of funding for our Student Laureate Civic Engagement Awards, currently at \$1,000 each. Sustained support will allow us to potentially increase the Award stipend over time while also directing other Academy resources to expanded programming and initiatives.

Your Call to ACTION

Lincoln's leadership legacy reminds us that every day we choose who we want to be and how we want to make an impact. Over time, our choices create a pattern of who we actually become - a discernible narrative, a map of intentional actions, a lived story - what some would call a legacy.

The most authentic way to honor a cherished legacy is to honor its covenants - its promises - and keep them alive. With a deep commitment to the state of Illinois, The Academy continues to ignite and inspire global leadership in the spirit of Lincoln. We invite you to become part of shaping the future of The Academy.
