

How to Wear Lincoln Academy Regalia

The Sash

The sash should be worn over your right shoulder onto your left hip.

Gentlemen wear the sash **over** the white waistcoat and **under** the black jacket.

The Regents Badge

If you are also a regent, please wear your regent badge as follows:

Gentlemen: should pin it onto their black coats over their left breast.

Ladies: may either wear it on their dress at the same location, if possible, or if it is too heavy, you may wish to pin it onto the upper third of your sash.

Lapel Pin

All members should wear their Lincoln Academy lapel pin at all related Academy events throughout the convocation weekend -- but not on their formal attire for the evening events.
